The one book on the comics you can't afford to miss.

"fascinating"

"The 'Funnies' today remain an integral part of nearly all American newspapers—daily and Sunday... Horn gives us fascinating background information about 1,200 comics and cartoons, past and present, from around the world... thoroughly researched, documented and compiled."
BUFFALO COURIER-EXPRESS

"fabulous"

"It is, simply, the most useful book on the subject yet assembled. It is utterly indispensable to any serious student of the medium and, less loftily, a fabulous trove of entertainment to anyone who's ever been even halfway enamored of the funnies."
MIAMI HERALD

"thoroughgoing"

"A thoroughgoing job... a browser's book with a high nostalgic charge, amusing."
THE WALL STREET JOURNAL

"hefty"

"Needed are more works like **The World Encyclopedia of Comics**... Its publication surely establishes Mr. Horn as the Diderot of the comics... superbly concise history... beautifully reproduced... one hefty encyclopedic work (of) comic lore, scholarship and critical theory."
NEW YORK TIMES

"superb"

"...sumptuous... superb and everything it claims to be. Without doubt, it is one of the most carefully researched and scholarly books of its kind and an epiphany for the comics."
NEW HAVEN REGISTER

"huge"

"...a huge reference book for the confirmed comics nut."
NASHVILLE BANNER

"standard"

"...a standard for years to come."
DALLAS MORNING NEWS

"best"

"The best compendium ever—a whirlpool of forgotten images."
GALLERY

"a romp"

"...A romp through the fun house... the most comprehensive work yet on the subject... crammed with information on comics throughout the world... a valuable addition for comic fans and scholars."
MEMPHIS COMMERCIAL APPEAL

"impressive"

"...64 pages of full color and more than 700 black-and-white pictures dominate this most impressive work."
COURIER TIMES, LEVITTOWN-BRISTOL, PA.

"monumental"

"...a phenomenal, a monumental book... there has never been anything like this before... a vast storehouse of information, assembled in truly scholarly fashion... The volume will be as indispensable to everybody who shall ever try to write about the comics from this time forth as the dictionary itself, but I must also stress the point that it provides very entertaining reading for everybody who has any interest in the subject."
NEWS-TRIBUNE, WALTHAM, MASS.

"feast"

"It will provide you with more enjoyment than filet mignon or caviar... a feast that comic art buffs, scholars, and in-betweens have been craving for years."
WASHINGTON POST

"excellent"

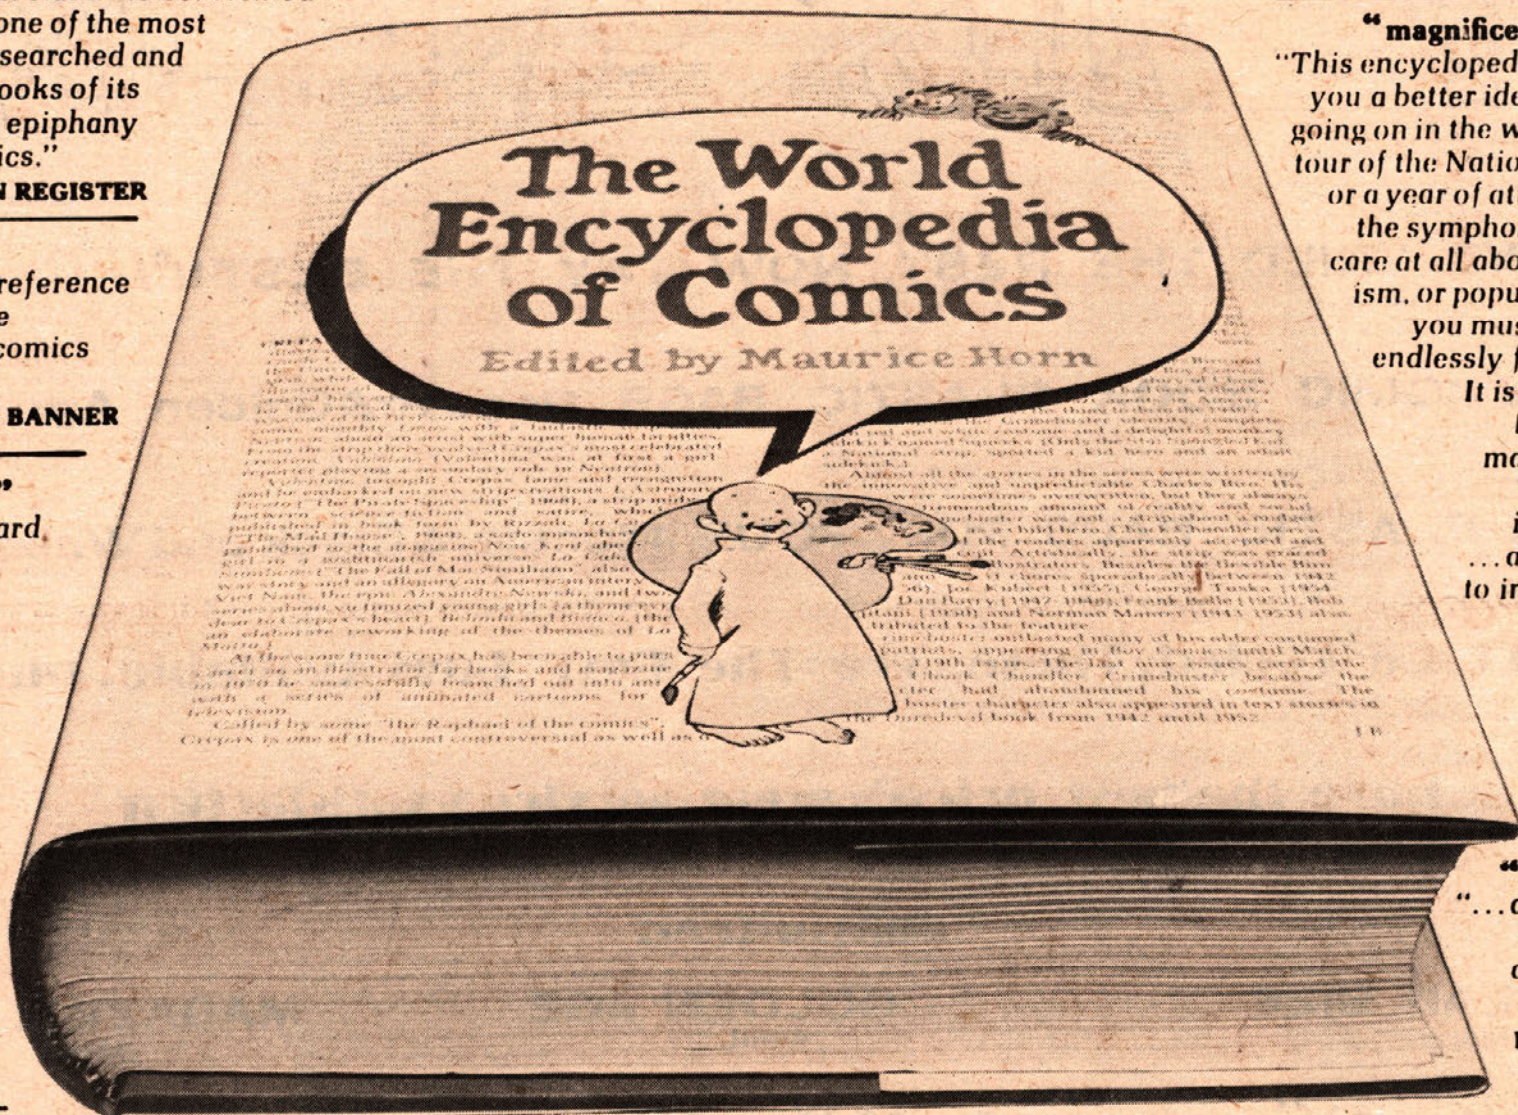

"This excellent overview of the comics is a badly needed work for both comic fans and even people just interested in the way America developed."
WASHINGTON STAR

"magnificently useful"

"This encyclopedia may give you a better idea of what's going on in the world than a tour of the National Gallery or a year of attendance at the symphony... If you care at all about journalism, or popular culture, you must own it... endlessly fascinating. It is full of wild bits of odd, magnificently useful information... a monument to industry and affection."
CHICAGO DAILY NEWS

"cornucopia"

"...a collector's cornucopia and a buff's delight."

HISTORY AS IT HAPPENS

The Value of Newspapers as a Reference Tool.

Newspapers have long been considered among the most valuable of reference tools.

The on-the-spot coverage, offered only by the newspaper, allows a student to see the day-to-day sequence of events as seen through the eyes of the observer. The reference book or text, on the other hand, offers only after-the-fact accounts by the authors and editors.

Scanning two or three different accounts of the same event gives the student the opportunity to see a wider range of observation, and learn to draw his own conclusions. Since news coverage is, by nature, concise, this type of research is neither difficult nor time-consuming.

Study of actual news stories of historical events is quite interesting to students. But, it is also valuable (and at the same time fun) to peruse peripheral material relevant to the event or the times.

Series articles exist on most news stories of major consequence. Follow-up stories, editorials and features provide in-depth coverage, while localizing the point of view to give regional opinion and reaction.

In addition, articles, features and advertisements which appear in conjunction with major news stories often offer valuable insight into the environment in which the event occurred. Study may show why reactions and opinions appeared as they did, in the "climate" surrounding important events.

THE LONG ISLAND NEWSPAPER

MASTHEAD, a monthly tabloid newspaper, is published by a staff consisting of history teachers, students, americana collectors, and amateur journalists and historians. This publication will act as both a collectors marketplace and an educational tool which will expound the value of using old newspapers as a teaching technique which adds LIVING HISTORY into the HISTORY CLASSROOM.

We hope to make MASTHEAD an established periodical which will be self-supporting, free from the financial restrictions which have doomed earlier publications of a similar nature. Therefore, we intend to make this project a labor of love and invite all readers of THE MASTHEAD to participate as subscribers, advertisers, or contributors in order to insure a showcase specimen as our first issue.

MASTHEAD will fill an obvious need; but to insure its survival we have already advertised it in many obscure collecting journals and have nearly one thousand subscribers to date. To boost circulation yet higher, we will send complimentary copies of our first copy to thousands of PUBLIC LIBRARY, READING ROOMS, SCHOOL and UNIVERSITY HISTORY DEPT'S, HISTORICAL SOCIETIES, and the EDITORIAL OFFICES at most of North America's NEWSPAPERS and MAGAZINES. We feel that MASTHEAD is news.

With your help, we will have an excellent chance of joining the mainstream of historical and educational journals and at the same time bring newspaper collecting to thousands of people.

ADVERTISING and SUBSCRIPTION RATES

Subscription rates are presently \$3.00 for 4-issues \$4.00 for all places other than U.S. & CANADA. First issue will be mailed out the first week of JANUARY, 77 AD DEADLINE is DEC. 31, 1976

All advertising for issue number ONE will sell for HALF the standard rates listed below, and all subscribers in time for issue ONE will receive a free 35-word classified ad. Whatever ad you choose--it will be seen by thousands of new collectors who never before even thought it was possible to find old newspapers and own them, and with so many fresh faces being introduced to the proposition you can't miss.

We also intend to fire our typist and throw away this typewriter since MASTHEAD will be completely typeset. (ADS MUST BE CAMERA-READY; ARTICLES WILL BE TYPESET.) PLEASE JOIN US! ALL COLUMNISTS AND SUGGESTIONS ARE GREATLY NEEDED.

SUBSCRIPTION SERVICE

- 1.) Base your order on the total number of publications of any one price; in other words, 12 copies of one title or the next 12 consecutive issues of one title or 12 different titles in one month all costing the same 30¢ would be 28¢.
- 2.) We carry any newstand magazine, so order what ever you wish.
- 3.) Try to give us lead time on the issue number you are ordering (the Comic Reader is a good source.) If you do not specify otherwise, we will send the next available numerical issue.

4.) Postage must be added per month to the above as follows: 1-10 50¢, 11-20 75¢, 21 up 1.00

5.) We ship subscriptions once a month. We put the comics in plastic, protect them with cardboard or package them with newspaper stuffing. Experience and the high cost of shipping by U. P. S. has left us no alternative than to trust the services of the Post Office. Packages were being returned unclaimed, beat up or lost. Thus, we saw no reason to pay more for less delivery service to you our valued customers.

TERRY

AND THE PIRATES

by MILTON CANIFF

NEW! NEW!

TERRY & THE PIRATES—In the first year of TERRY Caniff made a switch in art styles that established him as the contemporary master who influenced a generation of cartoonists. P.O. BOX 164-B
SANTEE, CA. 92071

The following is a list of comics I will purchase immediately. All comics must be complete and in FINE or better condition. This means a tight cover; no rips, tears, or creases; both staples must be tight, no markings on the cover, rolled spines or split spines. Please do not send comics in less than fine condition as we will have to send them back at your expense. There is no need to write first. Just send the comics, up to 15 copies of any one issue, along with an itemized statement showing what your are selling and the total amount owed. Payment will be sent the day we receive the comics. Please insure all packages. We buy thousands of comics every month, so save this list and send us comics any time. We are also looking for people who can supply us on a regular basis with new or back issue comics; 16mm films, movie posters or any other comic-fantasy-film items you think we could use in our store.

REMEMBER

... Those Naughtly little 8 panel comic books depicting your favorite cartoon characters as you never saw them in the newspaper funnies.

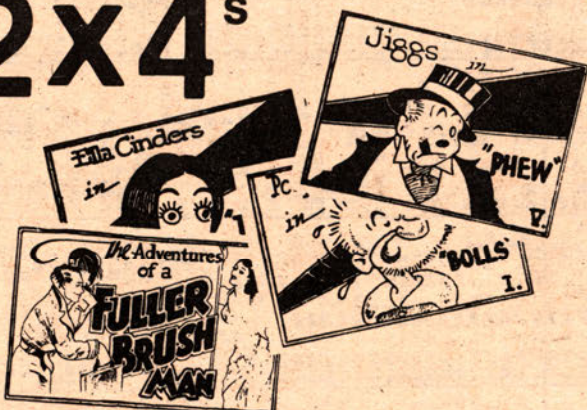

Yes, 2 x 4s, all the rage of the 1930s and 40s created in back rooms by mostly unknown cartoonists and enjoyed and laughed at by millions in a time when there was little else to laugh about.

Most of these Racey little books were lost to the paper drives of WW II but a few rare originals still remain in private collections. Now you can have reprints of these rare collectors' items to delight yourself and your friends for many years to come.

Just send \$1.00 for one, or \$2.00 for three different comics to: Nostalgic Publications, P.O. Box 241, Blackwood, New Jersey 08012.

16mm FILMS FOR SALE...ALL FILMS LEGAL FOR HOME USE...NO CHARGE FOR POSTAGE AND HANDLING.....

SATISFACTION GUARANTEED OR PROMPT REFUND...MINIMUM ORDER \$22.50, PLEASE.....

NEW***VIGILANTES OF BOOMTOWN -- For all you "B" Western fans out there, we now offer one of the best of the Republic Red Ryder series. It stars Allan "Rocky" Lane as Red Ryder and Bobby Blake as Little Beaver, in 54 minutes of gun-slinging, rip-snorting action and adventure. A nice addition to any western film library.....\$29

CREATURE FROM THE HAUNTED SEA -- This great Roger Corman horror/comedy/satire film stars Anthony Carbone, Betsy-Jones Moreland, and Edward Wain in an outrageous story that parodies spy films, "creature" movies, Z-horror stories, and even Bogart's AFRICAN QUEEN. It's the story of a motley group of gold smugglers that find their ship attacked by a prehistoric monster from the sea. If you were taken in by the ingratiating dumbness of Corman's LITTLE SHOP OF HORRORS, as so many of us were, then you'll like this one, too.....\$109

THEY MADE ME A CRIMINAL -- John Garfield, Claude Rains, Ann Sheridan, and the Dead End Kids star in this Warner Brothers classic, directed by Busby Berkeley. Garfield plays a boxer who believes he has killed one of his ring opponents, and is forced to hide out from the forces of the law. An excellent, exciting film from the golden days of Hollywood. 92 minutes...\$145

MAN FROM MUSIC MOUNTAIN -- Gene Autry, as you like him, singing, riding, and shooting his way through 54 minutes of western action. Smiley Burnette co-stars as Frog.....\$79

THE GAY RANCHERO -- William Witney directed this 1948 actioner, which stars Roy Rogers and Jane Frazee. An exciting western from Republic, who knew how to make 'em. 54 minutes.....\$79

SANTA FE TRAIL -- This action-filled 1940 Warners feature stars Errol Flynn, Olivia deHavilland, Raymond Massey, and Ronald "Bedtime for Bonzo" Reagan in the sweeping historical drama of John Brown's fight to free the slaves in pre-Civil War America. Directed by Michael Curtiz, music by Max Steiner. 110 minutes.....\$145

THE STRANGER -- Orson Welles starred in and directed this classic, which also features Loretta Young and Edward G. Robinson. THE STRANGER is a Wellesian essay on the nature of evil, a story of an escaped Nazi official who manages to take refuge in Connecticut and establish himself as a respected citizen. 95 minutes.....\$129

LITTLE SHOP OF HORRORS -- Jonathan Haze, Jackie Joseph, and Mel Welles star in this very funny Roger Corman horror film from 1960. It seems that Haze grows paints, and one of them starts talking to him one day, demanding human blood...Jack Nicholson does a nice, rather sicko bit, as a masochistic dental patient. Running time is 65 minutes.....\$109

REEFER MADNESS -- "Marihuana addiction" sinks its deadly fangs into a group of thrill-seeking teens, causing them to jitterbug insanely, kiss like married folks, and kill people, not necessarily in that order. Rediscover the meaning of "high unintentional camp" in this howler from 1936. 65 minutes.....\$89

YELLOW ROSE OF TEXAS -- Roy Rogers is an insurance agent, working from a riverboat, who clears the name of an old man accused of a stagecoach robbery. Dale Evans and the Sons of the Pioneers are also featured. 54 minutes.....\$79

JESSE JAMES AT BAY -- Roy Rogers and Gabby Hayes star in this western favorite. 54 min.....\$29

FALSE COLORS -- Stars William Boyd as Hopalong Cassidy. In this one, Hoppy and his pals fight outlaws who threaten to take over a neighboring ranch. 65 full minutes of action.....\$79

SUNDOWN FURY -- Don "Red" Barry, the James Cagney of "B" Westerns, cleans up the corrupt city of Sundown. 54 minutes.....\$29

SOMBRE KID -- Another great Don "Red" Barry six-gun saga, with Lynn Merrick. 54 minutes...\$29

BILLY THE KID RETURNS -- Roy Rogers is mistaken for the legendary Billy. 54 minutes.....\$79

BLACK AND WHITE CARTOONS (minimum order \$22.50)

NEW***RHYTHM ON THE RESERVATION -- This one stars everyone's favorite Max Fleischer character, Betty Boop, in a tenuous, full-length cartoon. As you may have surmised from the title, the story is basically concerned with Betty's trip to an Indian reservation, whereupon she proceeds to teach the braves and squaws a few new moves.....\$15

NEW***MAKING STARS -- The enchanting Ms. Betty Boop serves as Mistress of Ceremonies for a group of "stars of tomorrow", who take the stage and exhibit their talents.....\$15

ALL THIS AND RABBIT STEW -- Considered by many to be one of the funniest Warner Brothers

cartoons ever made, this Bugs Bunny opus has achieved a kind of fame for its stereotyped Negro antagonist, who is out to "...get me a rabbit..." Tex Avery directed.....\$15

IS MY PALM READ? -- Betty Boop was never lovelier as in this early Fleischer effort, when she goes to Bimbo's fortune-telling parlor and ends up being pursued by drooling monsters on an island. This spicy little cartoon proves that Betty was doing nude scenes long before the current crop of "take-it-all-off" actresses. One of the very best Boops.....\$15

AFRAID TO COME HOME IN THE DARK -- A "Screen Song." In this one, Fleischer animates the story of a drunk coming home, only to be confronted with strange happenings. An excellent example of this theatrical series.....\$15

I WISHED ON THE MOON -- Abe Lyman and his Californians handle the song, and Max Fleischer animates an outrageous story, in this episode of the popular "Screen Songs" series.....\$15

SLEEPYTIME DOWN SOUTH -- Remember the Boswell sisters? Even if you don't, you'll like this Screen Song, which couples the sisters' warblings with some rather deranged animation from Fleischer. The song is nice, too.....\$15

TAKE A TRIP IN MY AIRSHIP -- Imagine, if you will, the talents of Max Fleischer applied to animating a song about airships, and you'll get an idea of the content of this nifty little cartoon.....\$15

WALT DISNEY'S ALICE CARTOONS -- From the Disney Studios of the late 1920's come these entertaining cartoons. Music and sound effects have been added. Titles are ALICE'S ORPHAN, ALICE RATTLED BY RATS, and ALICE SOLVES A PUZZLE. All three cartoons for.....\$30

SON OF ALICE CARTOONS -- Because of the popularity of the above set, we now offer another "Alice" package of the same vintage. Titles are ALICE'S EGGPLANT, ALICE'S TIN PONY, and ALICE'S BALLOON RACE. Price for all three.....\$30

THE FLYING HOUSE -- Excellent science-fiction effects highlight this early Winsor McCay cartoon, one of the famed "Dreams of a Rarebit Fiend" series. Silent, with a musical track. Running time approximately 11 minutes.....\$20

THE PET -- The rarebit Fiend chows down on just a little bit too much rarebit, and has a dream about a dog-like thing that grows to monstrous proportions and attacks the city. Most people just get gas. 11 minutes, silent.....\$20

GERTIE THE DINOSAUR -- McCay's pals at the club scoff when he says he can make a drawing come to life. Winsor says he'll prove it, and the result is GERTIE, of of the handful of true animation classics. Silent, 11 minutes.....\$20

POPEYE CARTOONS -- We have the following exploits of the world's most famous spinach-chomper: CUSTOMERS WANTED (1939), WITH POOPDECK PAPPY (1940), I SKI LOVE SKI YOU SKI (1936), I'M IN THE ARMY NOW (1936), and POPEYE PRESENTS EUGENE THE JEEP (1940). Price of each.....\$15

BETTY BOOP IN POOR CINDERELLA -- Our Ms. Boop and Prince Charming get it all together in the extra-long musical extravaganza.....\$20

BETTY BOOP IN BLUNDERLAND -- Betty does a nicely surrealistic parody of Alice's Wonderland.....\$15

BETTY BOOP'S RISE TO FAME -- "Uncle Max" Fleischer does a live-action guest starring role in this review of Betty's cartoon career.....\$15

BETTY BOOP'S CRAZY INVENTIONS -- The imagination of Fleischer is given free rein as Betty goes to a "Hall of Inventions" to check out what's new.....\$15

Fifteen minutes of fun.....\$25

PIE PIE BLACKBIRD -- Eubie Blake and his Band are baked inside a giant pie, but it doesn't faze them at all. They just keep playing hot music until they burn up and disintegrate into skeletons, never missing a beat. A nice, surrealistic, all-Black one-reeler.....\$20

CALLING ALL GIRLS -- This 1935 Warners' short tells, in typical early Hollywood style, how girls are chosen for the Busby Berkeley musicals. Running time is about 20 minutes.....\$35

ADVENTURE #42 FINE 200 -

I'm back again with some new art and some old art at better prices so send me a order and buy yourself some very nice, very cheap artwork, no other dealer can match my prices.

In the future as well as getting art from many marvel comics (Nova, Teen Up, Conan, Savage Sword, Spidy, Spectacular Spidy, Hulk many others) I will be getting in work by other artists

Dealers I can provide the pages in this ad and other things in wholesale lots if interested phone or write me, I can give very good prices so inquire.

Ordering info- Art is wrapped between Masonite board for maximal safety, this is very expensive but the artwork is useless if it never gets to you, Art is sent by U.P.S. and the Post Office, orders under \$25.00 are not insured unless 50¢ is added. Postage is \$1.00 per order and I'm going broke on that rate.

Big Sale this ad is The Savage Sword Pages no dealers rates on these, the pages from Sword are very, very nice.

A page with drawings on the back will be listed as page-18 art and if it has some or all art inked it will be listed art, inks. The stuff on the back of the pages is fantastic tight stuff sometimes better than the front, I add no more than \$2.00 - \$5.00 for it and no pages having insignificant drawings will be noted.

J.R.R. TOLKIEN

CALENDAR

\$4.95

4.95

For the second year in a row, there are beautiful illustrations by the brothers Hildebrandt, Greg and Tim. Fourteen original paintings are reproduced especially for this calendar and they are really nice. Starting with Smaug in January, the brothers take you on a synoptic journey thru the trilogy where we visit Rivendell, Lothlóren, Helm's Deep, Cirith Ungol and witness an unexpected party, the siege of Minas Tirith, the healing of Eowyn, and the wedding of the King. If you need a calendar or are just into fine art, the J.R.R. Tolkien Calendar for 1977 is a must.

SAMURAI

SWORDS

WANTED!!

I collect Japanese (or Samurai) swords.

Also Mari-Kari knives, Samurai armor and helmets, sword fittings, pole arms, wooden saddles and all kinds of other Samurai stuff that was imported in the last hundred years or brought back from World War II such as medals, uniforms and Jap army helmets.

If you have one, please get in touch with me. I am opening up my entire collection for trade including a complete MARVEL collection from FF up, Golden Age that's on everyone's want list and tons of original art.

I will also pay CASH.

Please include Phone # and best times to call.

If the sword is rusty or dirty DO NOT try and clean it up. Steel wool, naval jelly or other cleaning agents can do as much damage to a sword as running over comics with a lawn mower.

Now, the purpose of this add is to get in touch with you, so please help me out. I will pay all postage on any deal. Write me, it could really pay off for you.

In this order I am featuring a part of one of the best collections that I have had the luck to be able to purchase. The books are graded as usual. Any dissatisfaction within a reasonable amount of time will be immediately refunded. The postage is 50¢ and insurance is very expensive now. I think we can say 1.00 per 100 dollars, and 50¢ under that. I hope that you are able to find something that you like. My new address is Fred Dillett 9312 Spring Valley Rd. Mazomanie, WI 53560. My new Phone is 608-798-4707. I will accept phone orders. The evening is best but I am around all day. Early morning calls will be met with a similar mentality. I will also entertain discounts depending on the material and the size of the order.

EARLY MARVEL AND CONAN SALE

Hi people! The expenses of college have caught up with another comic fan, forcing him to sell his collection. I apologize if some of the prices seem a little high but I find these books very hard to part with, (and after seeing how much dealers have been willing to pay for them recently, my prices may turn out to be the bargain of the coming year!) The following comics are all from my personal collection and are for sale as follows:

32-page color comics -- 30¢ each -- \$25.00 per 100

Okay, gang, I'm off to graduate school. I don't have room to take these books, and I need the money to pay my rent, so I'm letting all of these go at the uniform price of 30¢. There are more than 800 books listed here, and if anyone wants to make me an offer for the entire lot, I'm more than willing to listen. Otherwise, they're 30¢ each, minimum order \$3.00. Please enclose a stamped, self-addressed envelope. Include 1¢ per book for postage, minimum 35¢.

T.P.M. CONTAINS REAL COMIC STORIES FROM COVER TO COVER. WE DON'T JUST SIT BACK AND TALK ABOUT COMICS LIKE SOME ZINES. WE DON'T JUST REVIEW THE WORK OF OTHERS. WE DON'T FILL PAGES WITH COMIC RELATED NEWS OR WITH ADVERTISEMENTS. THERE ARE PLENTY OF CAPABLE ZINES ALREADY TAKING CARE OF THAT. WHAT WE DO, IS BRING YOU NEVER BEFORE PUBLISHED COMIC ADVENTURES BY FANS LIKE YOURSELF. YOU HAVE PROBABLY THOUGHT BEFORE, JUST IF THE FANS WERE WRITING THE COMICS. WELL, NOW THEY ARE WRITING THE COMICS, AND DRAWING THEM TOO, IN THE POWER MASTERS!

RARE MOVIE POSTERS AT REASONABLE PRICES!

Thanks to everyone who ordered from my last ad. Since then I've uncovered a movie poster warehouse with thousands and thousands of posters. I looked through them and listed in this ad the very best ones. I tried to sell them in lots to dealers, but the price was so low I decided to sell them to the collecting public myself. My prices are about 1/2 or LESS than what the going dealer retail prices seem to be. I can make what I feel the posters are worth and you can buy posters you don't even find these days at a very low price. I have many duplicates, so feel free to order. List alternatives if you like. All posters are originals unless noted with an "R" and the date of re-release. Condition is generally very good. Please include \$2 with each order to cover shipping and insurance. GO TO IT!

Alan J. Adler 2218 Sarah Marks Ave. Charlotte, N.C. 28203 (704) 377-2016

All posters this ad are 14x36, printed on heavy stock.

SPECIAL EDITION SERIES

Mac Raboy's

CAPTAIN MARVEL JR.

3

CAPTAIN MARVEL JR.

Over a year in planning, this third and latest SPECIAL EDITION SERIES is our best yet! 212 big pages, with full color front and back covers, of MAC RABOY'S CAPTAIN MARVEL JUNIOR!

Captain Marvel Junior went on for years, with some of his best stories drawn by Mac Raboy (who later drew FLASH GORDON) in the issues of MASTER COMICS up to number 42. He is a brilliant artist!

As Jim Steranko says in Volume Two of the HISTORY OF COMICS, "Raboy's style was as important to Captain Marvel Junior as Kirby's was to Captain America or Beck's was to the Big Red Cheese himself. For sheer polish and grace, Raboy's figures compare admirably with the source that inspired them: Alex Raymond's FLASH GORDON. In addition, Raboy was an expert technician with a pen and brush."

This large 8½x11" 212-page collector's edition, with full color covers, is only \$8.95! Order your copy today!
